On/off power switch.

Attachments to suit most applications.

Easy to screw-on tyre valve attachment.

12v accessory plug with 3.5m power cord.

Pressure gauge with Bar and PSI readings.

Rubber feet reduce vibration during use.

Technical Specifications

Model:	JPC038
Voltage:	DC 12V
Max. Amp Draw (under load):	15Amp
Max Working Pressure:	>150PSI
Max Ambient Temp:	+80°C
Min Ambient Temp:	-20°C
Max. Duty Cycle:	15 minutes

JPC038 AIR COMPRESSOR

- Light weightcompact design
- Maximum pressure 7kg/cm²
- 150psi Pressure gauge
- 3.5m power cord with a 12v plug
- Comes with sports adaptors
- Ideal for most household vehicles, motorcycles, caravans, trailers, bicycles, wheel barrows, sports equipment and air beds for camping.
- 1 year limited warranty*

Pressure gauge

6m coiled hose

Quality braided hose.

Screw-on tyre valve

30amp in-line fuse

3.6m power cord with crocodile clips

Quality construction

Rubber feet prevent walking during use.

Soft grip handle

Sports attachments

Storage space

Carry bag

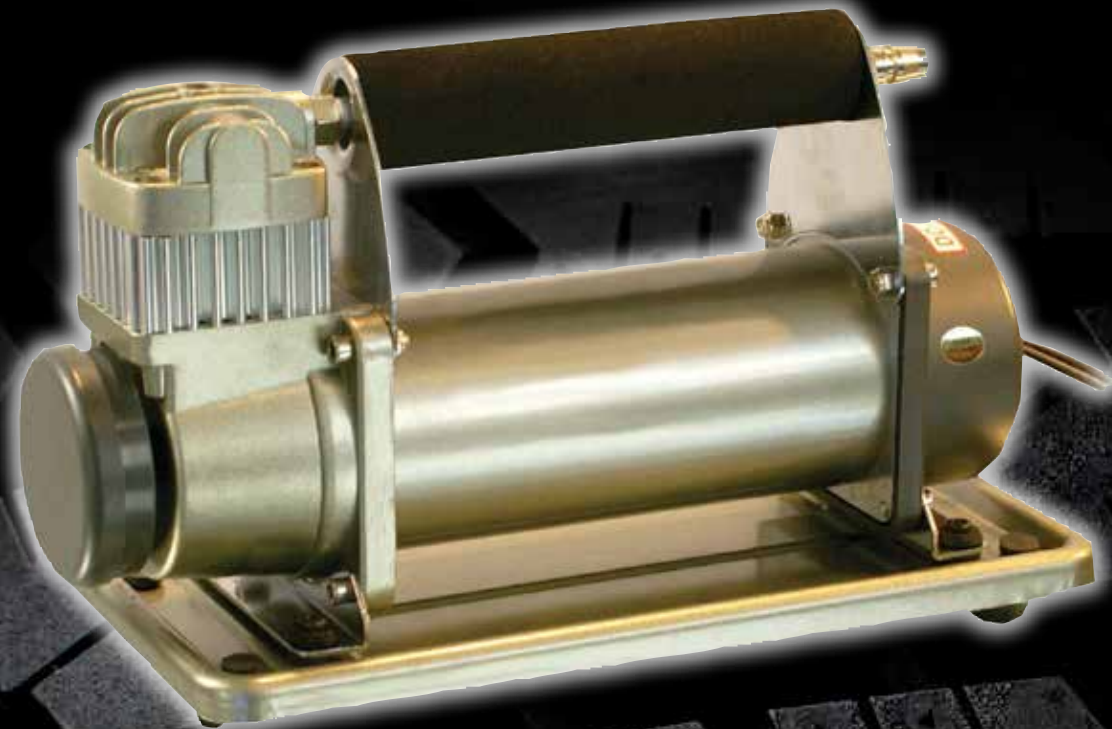

Technical Specifications

Model:	JPC075
Voltage:	DC 12V
Motor Output	0.3Hp
Cylinder/s	30mm, Double
Max. Air Flow (No load):	≤ 75L/min
Max. Amp Draw (under load):	15Amp
Max Working Pressure:	>150PSI
Max Ambient Temp:	+80°C
Min Ambient Temp:	-20°C
Max. Duty Cycle:	15 minutes

JPC075 AIR COMPRESSOR

- High volume twin cylinder motor
- Flows up to 75L/min with no load*
- 6m coiled air hose
- 150psi tyre gauge
- 3.6m power cord with a crocodile clips
- 12v copper wound permanent magnet DC motor 0.3HP

- Comes with sports adaptors
- Will inflate a 205/65 R 15 car tyre in under 2min 35sec.
- Ideal for most household vehicles, motorcycles, caravans, trailers, bicycles, wheel barrows, sports equipment and air beds for camping.
- 1 year limited warranty*

Pressure gauge

6m coiled hose

Easy access to ON/OFF Switch

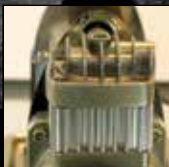

Screw-on tyre valve

30amp in-line fuse

2.5m power cord with crocodile clips

Quality construction

Rubber feet prevent walking during use.

Soft grip handle

Sports attachments

Side mount air cleaner for clean air

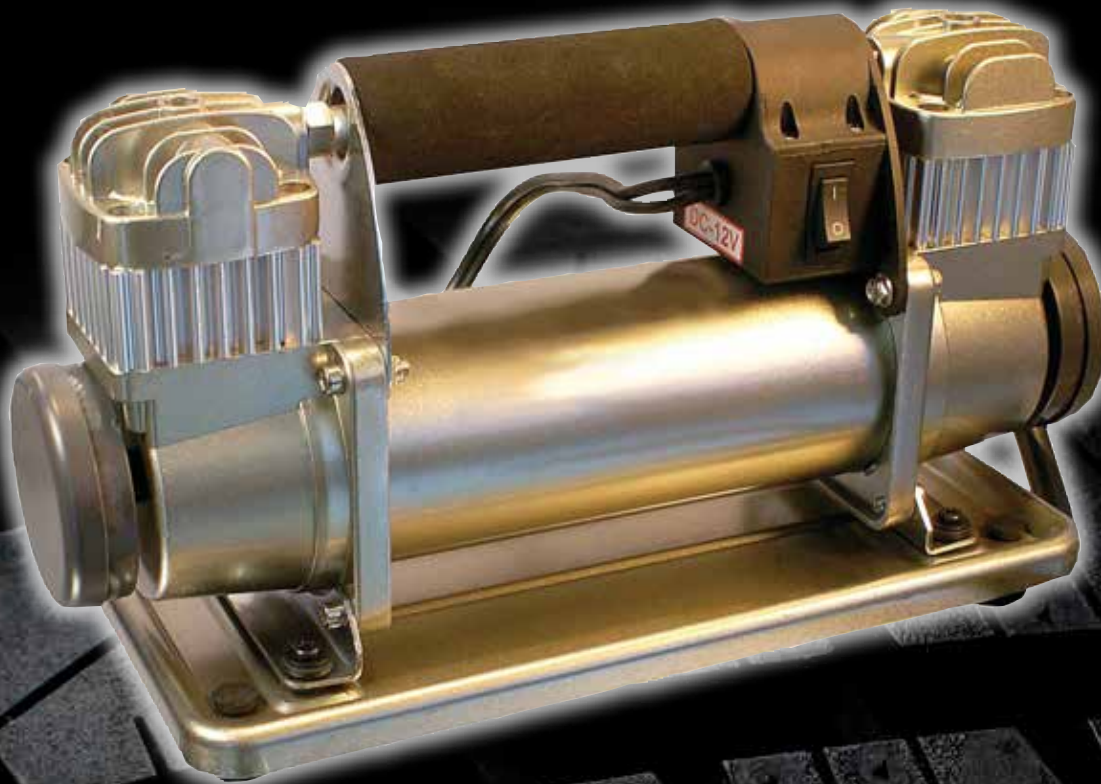

Carry bag

Technical Specifications

Model:	JPC095
Voltage:	DC 12V
Motor Output	0.5Hp
Cylinder/s	40mm, Single
Max. Air Flow (No load):	≤ 95L/min
Max. Amp Draw (under load):	≤ 20Amp
Max Working Pressure:	>150PSI
Max Ambient Temp:	+60°C
Min Ambient Temp:	-20°C
Max. Duty Cycle:	20 minutes

JPC095 AIR COMPRESSOR

- High volume single cylinder motor
- Flows up to 95L/min with no load*
- 6m coiled air hose
- 150psi tyre gauge
- 2.5m power cord with a crocodile clips
- 12v copper wound permanent magnet DC motor 0.5HP
- Comes with sports adaptors
- Will inflate a 205/65 R 15 car tyre in under 1min 55sec.
- Ideal for most household vehicles, motorcycles, caravans, trailers, bicycles, wheel barrows, sports equipment and air beds for camping.
- 1 year limited warranty*

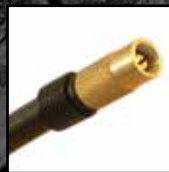

Pressure gauge

6m coiled hose

Easy access to ON/OFF Switch

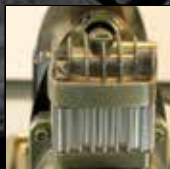

Screw-on tyre valve

30amp in-line fuse

2.0m power cord with crocodile clips

Quality construction

Rubber feet prevent walking during use.

Soft grip handle

Sports attachments

Side mount air cleaner for clean air

Carry bag

Technical Specifications

Model:	JPC155
Voltage:	DC 12V
Motor Output	0.6Hp
Cylinder/s	40mm, Double
Max. Air Flow (No load):	≤ 155L/min
Max. Amp Draw (under load):	35Amp
Max Working Pressure:	>150PSI
Max Ambient Temp:	+60°C
Min Ambient Temp:	-20°C
Max. Duty Cycle:	25 minutes

JPC155 AIR COMPRESSOR

- High volume twin cylinder motor
- Flows up to 155L/min with no load*
- 6m coiled air hose
- 150psi tyre gauge
- 2.0m power cord with a crocodile clips
- 12v copper wound permanent magnet DC motor 0.6HP
- Comes with sports adaptors
- Will inflate a 205/65 R 15 car tyre in under 1 min 40 sec.
- Ideal for most household vehicles, motorcycles, caravans, trailers, bicycles, wheel barrows, sports equipment and air beds for camping.
- 1 year limited warranty*

AIR COMPRESSORS

Limited Warranty: The first twelve (12) months of the compressors life from the date of purchase has a full replacement of unit or replacement of failed part depending on the claim.

Jetpower reserve the right to assess each claim as they deem fit. Any misuse of the compressor will void all warranty claims.

It is VERY IMPORTANT to store your purchase receipt in a safe place for verification in the unlikely event of a claim. Original receipts should be photocopied and sent in with the warranty card to the address below. Failure to comply with any of the warranty instructions could invalidate your warranty claim.
